A message from the PAC president.

Hello Noel Booth parents my name is Ryan Steward, and I am the Pac president for 2018/2019 school year.

Every parent that has a student in Noel Booth is a member of the PAC yet we continually see that the turn out for Meetings, events, fundraising and volunteering is very low. We all would like to see more Events and fun activities for our children but it will take more help from the school community to make it happen. We have lots of exciting new ideas we'd like to offer to the school this year but **we need more involvement to make it happen**. You can help greatly just by volunteering for 1 event per year.

Please Attend the PAC meeting on Oct 1st at 6:30 and show your support

List of vacant PAC positions

Head Parent-Acts as liaison between PAC and the parents (est. time 1-2 hour each week)

Movie Night Coordinator- Arranges and runs the Movie Night (2-3 hours each month)

Volunteers- Need for many events through out the year (1-10) hours/year

Pac meetings

Pac meetings this year will be held at **6:30**. We understand that families are busy with balancing work, activities, and home life and we hope the new time will fit into your families schedule. Attending PAC meetings is a great way to stay up to date with what's happening in our school. We have grade 7 babysitters at each meeting to supervise the kids in the gym during the meeting.

If you haven't attended a meeting before, join us on **Oct 1st** to see what we do.

Entertainment books

Entertainment books went home with each student in September. They are filled with valuable discounts that can be used throughout the year. Orders and unwanted books are due back **September 28th**. This is not a free book, please return them ASAP if you do not wish to purchase. Any lost books come out of our profit.

If the school sells 250 books Mr Ribeyre has agreed to kiss a pig! Let's Go get selling and make it happen!

Water bottles

Water Bottle are available for purchase on munchalunch.com under the fundraising tab until **Oct 5th**. You can also purchase them anytime during the year by filling out an order form (available at the office) and putting your money and form in the PAC boxes located in each classroom. The bottles will be available while supplies last.
